Zaitox provides robust, reliable and efficient services that meet the requirement of our clients. We are creative and progressive in helping our clients achieve their goals. We have clients that represent a broad range of businesses from startups, SMEs and or large-scale incorporations.

Your search for top trusted Chartered Accountant firm in UAE completes here. We are well-versed with the international accounting regulations (IFRS & GAAP). You can rely on our team for delivering accurate and timely professional services; use your valuable time on other significant areas of your business.

Who We Are?

Our purpose defines our existence.

The purpose behind everything we do at Zaitox turns around the success of our clients and the enrichment of our relationships. Zaitox is a professional Chartered Accountant firm who is committed towards providing businesses with a wide range of professional services.

At Zaitox, we have a team of qualified Chartered Accountants with enormous experience of more than 20 years in the field. We use the most advanced technology platforms to run our clients' businesses seamlessly from anywhere and anytime.

WHAT WE DO?

Accounting & Bookkeeping

We, being a firm of Chartered Accountants, hold extensive experience and knowledge of accounting standards (IFRS/US GAAPs) and latest accounting software. We are best suited for those companies who want to outsource their accounting and finance functions to avoid the burdens of appointing full-time accountants. As a business owner we understand you have more important things to do than to keep your own accounting.

VAT Consulting

With VAT becoming increasingly complicated we aim to simplify your business operations. Implementation of VAT needs careful planning and skilled resources for its success; our dedicated expert tax team will help you manage every aspects of VAT rules from registration & implementation to the accounting, reviews and return filling.

CFO Services

We provide outsourced part-time CFO services in Dubai and across the UAE for a reasonable fee. Our experienced members are from globally recognized bodies of Chartered Accountant Institutes, who have previously worked as CFOs with multinational companies for more than 20 years in the region.

Business Advisory

Establishing a business requires continuous resource planning and process improvement. We have well-qualified, experienced and dedicated professionals who work to improve your business. We offer the following cost-effective, transparent, honest, and value-added services and solutions:

- Business & financial planning
- Due diligence & business valuation
- Transfer Pricing
- Merger & acquisition
- Internal audit
- Company liquidation

HR & Payroll

We offer HR & payroll solutions that meet your business need and enable you to spend time doing what you do best, save your quality time to grow your business. We are widely acclaimed for offering top-notch payroll services in Dubai and across the UAE.

Company Formation

We believe that "Well begun is half done". We have made company formation in UAE a lot easier than before, try us to help you get started.

Why Choose Us?

Our high standard of service and qualified Chartered Accountants with more than 20 years of professional experience spell the difference between our outstanding performance and other firms. We make sure that every client is served by the expertise of our professional team.
